

ABOUT THE CLUB

Traralgon and Morwell Pedallers Inc.
Registered Number A0031090W

Welcome to the club, the committee and members hope that you enjoy riding with us.

The aim of TRAMPS is to promote the sport of bicycle riding in both competitive and social environments and to provide facilities for the enjoyment of that sport. We also encourage members to become volunteers and to carry out fundraising for worthwhile purposes.

The support vehicle, which follows every ride, is there to carry your bag and is equipped with additional water and a first aid kit. It is also there to assist riders who have a mechanical problem or are in difficulty.

When riding with the club we ask that at all times you obey the road rules and for safety purposes stay between the ride leader and tail end charlie. The club reserves the right to place in the support vehicle any rider considered to be in danger or distress due to any cause and to seek medical support if required.

As a club member responsibility, you will be asked to provide support for a ride 1 or 2 times per year. This will be in the form of driving your own car with the club trailer in tow and providing cakes and, or slices for the lunch stop.

If you do not have a car with a tow hitch then you may be asked to provide cakes and, or slices 2 or 3 times a year.
